MEET DAVID HENSON— David is a nationally-known warranty compliance expert and author with over 34-years experience in General Motors warranty administration. He is the president of Warranty Matters and has written many copyrighted manuals and guides defining warranty compliance, audits and fixed operation management.

As well, he has assisted dealers through numerous factory-level audits and appeals. To learn more, visit us on-line at www.warranty matters.com.

Come join us for this fact-filled warranty clinic where the most important and misunderstood warranty topics will be addressed in no-nonsense terms.

“David has a way of cutting through the B.S. without any double talk. He does an excellent job. This is the ‘real deal.’”

I was a ‘newbie’ before this clinic and David put it together in a way that made sense.

A person should have learned enough to recover the cost of the clinic almost immediately.

I’ve been to a lot of these over the years, but David was the first to speak on my level.
